415. (Newly Added) The sheet of printable media of claim 337 wherein the facestock sheet construction includes an uncoated cardstock sheet.

416. (Newly Added) The sheet of printable media of claim 337 wherein the facestock sheet construction includes a top-coated cardstock sheet.

417. (Newly Added) The sheet of printable media of claim 353 wherein the adhesive layer is a hot melt adhesive layer, the film is a low density polyethylene film, the liner sheet is a densified bleached kraft liner sheet, and the facestock sheet is an uncoated sheet.

418. (Newly Added) The sheet of printable media of claim 417 wherein the hot melt adhesive layer is approximately .6 mil thick, the low density polyethylene film is approximately .8 mil thick, the densified kraft liner sheet is approximately 3.0 mil thick and the uncoated sheet is approximately 9.0 mil thick.

419. (Newly Added) The sheet of printable media of claim 337 wherein the facestock sheet construction is a coated facestock sheet construction.

420. (Newly Added) The sheet of printable media of claim 337 wherein the facestock sheet construction is an uncoated facestock sheet construction.

421. (Newly Added) The sheet of printable media of claim 282 wherein the printable media are arranged in a pair of butt-cut columns and a plurality of butt-cut rows.

422. (Newly Added) The sheet of printable media of claim 337 wherein the printable media are arranged in a pair of butt-cut columns and a plurality of butt-cut rows.
